 HUNTINGTON
INTERMEDIATE
SCHOOL

Principal's Message

Each generation thinks that it is wiser than the previous generation. This is as it should be; however, the wisdom of the past can and should be used as building blocks for the present and future.

Mr. W.D. Scales, former principal of Huntington High, delivered a message to his students that seems to transcend all times. The administration would like to share this message with you:

"You are an integral part of the social order and it is your obligation to foster the general good. Cast your lot in the vanguard of those ever vigilant to safeguard the principles of democracy. The future is yours! The outlook is bright. Let not the presence of problems dampen your enthusiasm. The material and spiritual coffers of the world are open to those who will pay the price for them. Set up for yourselves some worthy goal and strive unceasingly for its realization. Reflect in your behavior what you know and accept the principles of moral conduct. These will enable you to rise above obstacles that doom the weak and despair. Those who have shared the responsibility of directing your development here have tried to instruct you, by precept and example, in the democratic way of life. You have been taught the meaning of freedom; the values derived from according others their just deserts have been explained to you; you have shared in formulating regulations to which you have been expected to conform. It is our hope that you will be guided by these ideals in your future relationships with all men."

Even though Mr. Scales delivered his message more than twenty years ago the meaning and wisdom of his thoughts are quite apropos to our times. It is our hope that this message will help to provide nourishment for your minds and sustenance for your bodies. Be proud, but not too proud; be humble but not too humble; be ambitious but not too ambitious; be curious but not too curious and always remember that man's relationship to man determines the fate of the world.

Mr. Roger Tomlinson

Mr. Wilbur Holmes

Mr. Helmut Herdey

ASSISTANT PRINCIPALS

Because I said so that's why!

Mr. Holmes is for once at his desk.

GUESTS

Mrs. Hyatt liked it so much here that she decided to send her baby.

WATERGATE!
Woman's Rights!
NIXON!

As time for the election of our congressman drew near, Representative Downing took time out of his busy schedule to speak before the history students. His speech centered around the subjects of the space program and the two hundred mile fishing limit for all foreign seafood ships which Downing feels would help the United States rapidly declining fishing industry.

Mrs. Roberta Nichols from the DAILY PRESS spoke to students on journalism.

Captain Witte visited Miss Baylor's World History class to talk on Pakistan.

Warwick students frequently aided the Huntington music department.

Mr. Colwell explains to Mr. Salnoski,
"You're clapping for the wrong team!"

"You thought you had a victory but evidently you have been tricked!" says Ms. Moore.

CAREERS FAIR

What was that about \$6.50 an hour?

This past fall the Distributive Education students sponsored the Careers Fair. It's main goal was to inform students of the various types of jobs that are available on the Peninsula. The participants included speakers from fields such as . . . city services, armed forces, health careers, art, photography, hair design, journalism, dentistry, and business.

Shave and a haircut . . .

LECTURES

LAST
DAY OF
SCHOOL

If you love something,
set it free, if it returns,
it is yours, if it doesn't,
it never was.

Hold On

You men who climb the ladder of
success, and stand upon the top
All flushed and heady, I hail you,
but I also hail no less your wives
below, who hold the ladder steady.

By
Angela White

It isn't ever the same.
In time, I'll change. And you.
And the currents of our
lives. But the image of
this moment will never
fade. This moment and
you are unforgettable.

I LOVED HIM

Once I loved him, loved him and yet he
did not know, Or if he did he never
showed it to me. He laughed and sang
and played, as friends, but never did he
show himself as more or less to me.

Our friends came between what little we
had; The boys jealous of him, the girls of
me.
The people we both trusted tore us
apart.
Therefore, one day after the two of
my most dearest dreams came true.
I folded him up and latched him
away in a secret in my heart.
Where once or twice in my time
I will look into that place and
remember my dreams of he who I loved.

By,
B. Freeman

Dear Santa,
We're a
little big to
be asking
but...

HUNTINGTON!

Huntington students, throughout the year, reflected their own individual personalities and intrests in their courses, friends and clubs. Even through individuality was an important aspect of our school life our motto, "Togetherness", was equally important. It not only symbolized closeness but it represented involvement, cooperation and a sense of fairness.

The Valhalla staff would like to extend a special thanks to those who aided in the creation of the '74-75 Valhalla: Photographers, for the hours they spent helping us; Mrs. Brenda Campbell and Mrs. Lynnelle Thorton, for their patience and advisement.

VALHALLA STAFF

Gayle Anderson, Jerry Waddy, Kim Maltby, Fran Burton, Leigh Hunter, Connie Raiford, Kim Brenegar, Susanne Lyon, Chuck Carver, Sandra Greene, Paula Miente, Jane Morse, Judy Cowling, Donna Whitehead, Patrick Pimblett, Linda Lovell, Kim Waters.
